Welcome to a wonderful opportunity in the quiet, established community of Grand Oak Estates in Orange County. Ideally located with convenient access to Duke University Medical Center and UNC Hillsborough Hospital, this spacious home offers approximately 3,000 square feet of comfortable living. This classic brick residence features 5 bedrooms and 3.5 bathrooms, including a generously sized main-level primary suite with dual closets. The primary bath is well-appointed with dual vanities, a soaking tub, and a large walk-in shower. Abundant natural light fills the home, creating a warm and inviting atmosphere throughout. The living room impresses with a soaring ceiling, a dramatic wall of windows, and a see-through gas log fireplace shared by the living room and kitchen. Hardwood floors flow through the entryway, dining room, and kitchen. The kitchen is equipped with raised-panel white cabinetry, a gas cooktop, built-in oven and microwave, and a bright breakfast area with direct access to an extended deck—partially covered for shade and featuring dual stair access to the backyard. The unique multilevel outdoor space makes it perfect to entertain family and friends. Upstairs, you'll find four additional bedrooms, including one ideal for a home office and another oversized room that can serve as a bonus area, flex space, or 5th bedroom. The lower level offers a spacious family room with access to an expansive 20x24 stone patio.
